“Interim Compensation Order”), the law firm of Caplin & Drysdale, Chartered (**“Caplin & Drysdale”**), hereby submits this Second Interim Fee Application (the **“Application”**) for an order awarding it interim fees for legal services rendered as counsel to the Multi-State Governmental Entities Group (**“MSGE Group”**) in the above-captioned case, and reimbursement of actual and necessary expenses incurred, for the period commencing June 1, 2021, through September 30, 2021 (the **“Application Period”**). In support of this Application, Caplin & Drysdale respectfully represents as follows:

JURISDICTION

1. This Court has subject-matter jurisdiction to hear and determine this Application pursuant to 28 U.S.C. §§ 157 and 1334, and the Standing Order of Referral of Cases to Bankruptcy Court Judges of the District Court for the Southern District of New York, dated July 10, 1984 (Ward, Acting C.J.). This is a core proceeding under 28 U.S.C. § 157(b), and this Court has constitutional authority to hear and decide this Application. Venue is proper in this Court under 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

2. On September 15, 2019 (the **“Petition Date”**), the Debtors filed a voluntary petition for relief under Chapter 11 under Title 11 of the United States Code (the **“Bankruptcy Code”**). The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure.

3. From the Petition Date through the date of this Application, the Debtors have continued to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. On November 21, 2019, the Court entered the Interim Compensation Order [D.I. 529].

5. On March 31, 2021, the Debtors filed a *Motion to Enter into Term Sheet with and Pay Certain Fees and Expenses of the Multi-State Governmental Entities Group* [D.I. 2580]. On April 22, 2021, the Court entered the MSGE Group Fee Order [D.I. 2695].

6. Pursuant to the Interim Compensation Order, professionals may request monthly compensation and reimbursement. Such requests are to be served on certain identified parties for review. If no objection to a professional's request is received within fourteen (14) days of such request, the Debtors are authorized to pay 80% of the fees and 100% of the expenses requested.

7. The Interim Compensation Order also requires each retained professional to file at four-month intervals an application for interim Court approval and allowance, pursuant to section 331 of the Bankruptcy Code, of 100% of the compensation for services and reimbursement of expenses for prior months not already included in a previous interim fee application.

SUMMARY OF APPLICATION

8. Caplin & Drysdale seeks allowance of interim compensation for professional services rendered to the MSGE Group during the Application Period in the aggregate amount of \$1,709,854.00, and for reimbursement of expenses incurred and recorded in connection with the rendition of such services in the aggregate amount of \$26,355.44.

TOTAL	\$1,709,854.00	\$26,355.44	\$341,970.80	\$1,736,209.44

9. During the Application Period, Caplin & Drysdale attorneys and paraprofessionals expended a total of 2,712.8 hours for which compensation is requested. A schedule setting forth the number of hours expended by each of the members, associates and paraprofessionals of Caplin

& Drysdale who rendered services to the MSGE Group, their respective hourly rates, and the year of the bar admissions for each Caplin & Drysdale attorney is attached hereto as Exhibit A. A summary of time records on a project category basis as well as itemized time records for the professionals and paraprofessionals performing services for the MSGE Group and itemized and necessary expenses incurred during the Application Period are attached hereto as Exhibit B. These time records comply with the requirements set forth in Rule 2016 of the Federal Rules of Bankruptcy Procedure, including the use of itemized time entries and separate matter numbers for different project types. A description of each project category with the total number of hours expended by the attorneys and paraprofessionals of Caplin & Drysdale by project category, and the aggregate fees associated with each project category, is attached hereto as Exhibit C. Descriptions of the expenses for which Caplin & Drysdale is seeking reimbursement are attached hereto as Exhibit D.

10. In preparing this Application, Caplin & Drysdale seeks interim allowance of compensation and reimbursement of expenses pursuant to Rule 2016 of the Federal Rules of Bankruptcy Procedures (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Bankruptcy Rules**”), the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases (February 5, 2013) promulgated pursuant to Local Bankruptcy Rule 2016-1(a) (the “**Local Guidelines**”), and the United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**,” collectively with the Local Guidelines, the “**Fee Guidelines**”), the Interim Compensation Order

and the MSGE Group Fee Order (collectively with the Fee Guidelines, the “**Guidelines**”). A certification regarding compliance with the Guidelines is attached hereto as Exhibit E.

11. Caplin & Drysdale believes that all applicable time and disbursement charges for the Application Period have been included herein. However, to the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Application Period, but were not processed prior to the preparation of this Application, Caplin & Drysdale reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application.

DISBURSEMENTS

12. Caplin & Drysdale has disbursed \$26,355.44 as expenses incurred and recorded in providing professional services during the Application Period. None of these expenses exceeds the maximum rate set by the Guidelines. These charges are intended to cover Caplin & Drysdale’s direct costs, which costs are not incorporated into Caplin & Drysdale’s hourly fees. Only clients who actually use services of the types for which reimbursement is sought are separately charged for such service.

13. Caplin & Drysdale respectfully submits that the actual expenses incurred in providing professional services for which reimbursement is sought in this Application were reasonable and justified under the circumstances to serve the needs of the MSGE Group in accordance with the MSGE Group Fee Order.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

14. The MSGE Group Fee Order provides that Caplin & Drysdale’s reasonable and documented fees and expenses of the MSGE Counsel shall be subject, *mutatis mutandis*, to the procedures with respect to authorization of payment of the fees and expenses of the professionals of the Debtors and the Creditors’ Committee set forth in the Interim Compensation Order.

Therefore, while this Application is not strictly subject to sections 331 and 330 of the Bankruptcy Code, we are guided by such provisions in making this Application. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern a court's award of such compensation. *See* 11 U.S.C. §§ 330, 331.

15. Section 330(a)(3) also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to an examiner, trustee under chapter 11, or professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

16. As set forth in greater detail below, Caplin & Drysdale respectfully submits that it has satisfied the requirements of the MSGE Group Fee Order and section 330 of the Bankruptcy Code as they may be applied to the Application through the MSGE Group Fee Order. The professional services performed by Caplin & Drysdale were necessary and appropriate to the administration of this Chapter 11 case and were performed in the most expeditious and economical

manner possible. Compensation for these services as requested is commensurate with the complexity, importance, and nature of the problems, issues, or tasks involved. Further, the professionals at Caplin & Drysdale have coordinated their activities to avoid undue duplication of effort on behalf of the MSGE Group in the case whenever possible.

17. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016(a), there is no agreement or understanding between Caplin & Drysdale and any other person, other than the members of Caplin & Drysdale, for the sharing of compensation to be received for services rendered in this Chapter 11 case.

18. No agreement or understanding prohibited by 18 U.S.C. § 155 has been or will be made by Caplin & Drysdale.

19. Notice of this Application has been provided in accordance with the Interim Compensation Order. Caplin & Drysdale submits that no other or further notice need be provided.

20. Caplin & Drysdale reserves all rights and claims. Without limiting the generality of the foregoing, Caplin & Drysdale reserves its rights to submit future monthly fee applications, interim fee applications, and final fee applications, including, without limitation, fee applications seeking final allowance of all amounts sought to be paid or reimbursed herein and in respect of any amounts held back pursuant to the Interim Compensation Order or otherwise.

WHEREFORE, Caplin & Drysdale respectfully requests that the Court enter an Order approving this Application and allowing on an interim basis Caplin & Drysdale's request for \$1,709,854.00 in fees and reimbursement of \$26,355.44 in expenses for the Application Period.
